OVERVIEW

I am 26-year-old Internet enthusiast who lives in **Bangalore, India**. I'm full fledged and well educated in all aspects of the web, with expertise in **Responsive Website Design & Development**. I create notable Brands, high-value websites; secure, easy & intuitive Content Management Systems. I have more than **7 years of experience** in **Photoshop, Illustrator** and web technologies like **HTML5, CSS3, JSON, jQuery, AJAX, Bootstrap** and programming languages such as **Javascript, PHP** and **Ruby**. I always make sure to make my code SEO friendly and as clean as possible. In addition, I'm able to convert designs to high quality, cross-browser compatible HTML5/CSS3 markup.
